UltraSlim Bumper

UltraSlim Bumper is probably the thinnest bumper on the market (only 1.5mm thickness)

UltraSlim Bumper provides protection to the edge of iPhone 4 but keeping its original appearance and aesthetics

It is made of high quality Polyurethanes with excellent tension

Durable and tear-resistant

Easy access to all controls and ports

Improves iPhone 4 antenna performance

Colours: Black, White & Pink

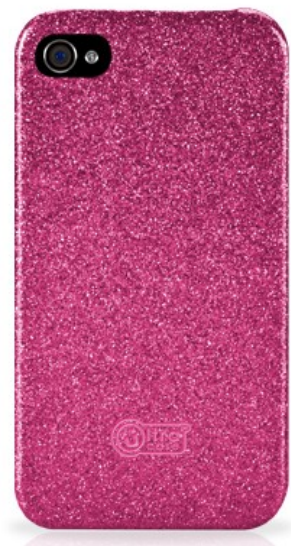

UltraSlim Bumper Combo

All the benefits and style of the UltraSlim Bumper range, in a combo pack of 5 colours!

Ecstasy DX Series

Let's get hyper with our Ecstasy DX series for iPhone 4. Make your phone shine, charm and outstanding from others. Ecstasy DX gives your iPhone 4 a gleaming appearance with a great touch. Ecstasy DX is slim, durable and shock resistant. Let your phone sparkle!

Colours: Pink

Wild Series

Your iPhone 4 deserves to dress up. Featuring a leopard skin pattern, Wild is destined to draw everyone's attention. The unique fluffy materials give off a warm and playful feeling. The case is light, protective and impact resistant. Combining fashion with function, Wild will catch everyone's eye.

Vogue Series

Vogue is extremely well-built and stylish. Made of high quality Polycarbon, with unique gradient colour and superb smooth interior. Transparent anodized coating not only provides a mirror-like surface, but also a see through affect. Vogue will make your iPhone 4 stand out from the pack. If you want to dress your iPhone in style, don't miss this fantastic case!

Colours: Blue, Purple & Black

Carve Series

This series of Ultra-Case is made to be tough and non-slippery. In addition, with this special floral edition, you will be unique when you use it on your iPhone 4. The feature for this case is easy to snap-on, but hard to snap-off as it has a strong frame to hold your iPhone 4. It is truly a special case to be carried everywhere with you.

Mono Classic

This slim, attractive Ultra-case will protect your iPhone 4 and maintain its slick style. Custom design allows access to all controls directly and easily. Snap on and off easily. Made of faux leather material, Mono Classic is a perfect fit for your iPhone 4.

UltraSkin Series

Nothing compliments the Ultra-Slim range, like UltraSkin! UltraSkin are protective films placed onto the glass of the iPhone. Combining style with protection, UltraSkin are set to jazz up your iPhone.
